**Comments on the Substance of the Interview**

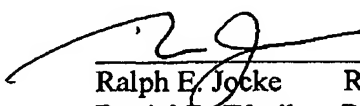

An interview was conducted on November 12, 2009 between Examiner Tae Kim and a representative (Daniel Wasil, Reg. No. 45,303) of the Applicants. The Examiner initiated the interview.

The Examiner made a courtesy call to inform the representative that prosecution was going to be reopened in response to the filed petition regarding the premature final.

The Examiner also requested that an election be made regarding a restriction requirement. The representative requested that any restriction requirement be mailed to enable further review.

The courtesy provided by the Examiner was appreciated.

Respectfully submitted,
